6	He did a good job explaining in what I did wrong in my essays and always suggested more help in the English center. He is always involved in trying to make the students understand a task more better.
7	It was helpful to have a tutor because there was two different people I could get an opinion from. Also it was helpful for our professor because she should have the tutor help us in case she wasn't available.
8	I think he was a very good tutor and actually helped with lessons or if students had questions.
9	Great tutor.
10	You were an amazing and hardworking tutor and will make an amazing educator.
11	In my English class 99 the class tutor, she is an amazing person. She tries to give you one on one help. Any help I needed or any question even on my career she was answered it to her best on knowledge.
12	She was awesome ! Very helpful and informative, pleasure to have her as a tutor
13	I felt our class tutor was the best one I had so far, she was super patient and kind. The class tutor navigated me through difficulties when the professor was busy with another student, it was very helpful. She always had a positive attitude and always reminded us to work hard and to never stop challenging yourself when it comes to leaning new topics. She also made things memorable when it came to learning new material.
14	Made my experience easier and more fun! Helped me improve my reading and writing.
15	I can't say much because what the tutor did was very helpful for me.
16	Great teacher. Really helped me look at different points of view of life, especially growth and fixed mindset.
17	The tutor in class not only helped me become a better reader and writer, but the tutor motivated me to keep going. I'm very appreciative for that
18	My tutor was fun to have in class and she really knows her stuff. She helped a lot.
19	I think our tutor was amazing, and the classroom could use more people like her to truly help students learn.
20	My tutor was very helpful, she helped me be a better writer and note taker. Thank you.
21	She's amazing! she doesn't need to change anything.
22	She was a big help. And always willing to help.
23	She was a big help. And always willing to help.
24	My tutor was very kind, patient and helpful with all students in the class.

25	I thought our class tutor was very helpful. Whenever anyone needed feedback and tips to write a better essay she was always there to help. I also thought her sharing her academic journey through college was motivational by proving it's possible to succeed through educational trials.
26	I think that having a in classroom tutor is a great way to help the teacher and the students out. it gives the students someone else to talk to if they feel like talking to the teacher is hard and they get anxious around the teacher.
27	She is very helpful and always has answer for any of my questions. No matter what how difficult or confusing it is for the both of us.
28	Our tutor was phenomenal in every way, and was a very genuine tenderhearted person. Best of luck to her later on in life.
29	She always helped me with writing and she is very smart and well educated.
30	She is amazing and has helped me understand the material. Great personality that makes it easy to talk to her. I hope she can continue to do the same for other students. It's people like her we need to help people and find the confidence in learning the material. Besides being able to help us, she has become an inspiration to me as a person who can be successful. Please continue to prove students like her because it does have a positive effect on our education and encourages to push forward.
31	I think definitely my writing since I was told that I needed to improve things. So that made my writing improved.
32	You did great!
33	Thank you for giving me the chance to talk about my tutor. She was amazing, as she helped me to identify my weaknessess in writing. She is always available to help me and other students. When I need to know something about the campus she gives me a very good feedback. I suffer from being unfocused when writing on a topic, she guided me to be more focused. She offers to help without being asked. When our professor is busy with another student, she asks me if I need anything. When we work as group, she enhances discussions among us. In sum, she is a great tutor.
34	she was great and helpful
35	The best English instructor you may have .
36	She did a good job at everything and she was a great source of help!
37	Our tutor was amazing. She kept me motivated and engaged in the class. She was extremely knowledgeable on all the topics we discussed in class and resources in and out of school and so much more. She did not feel as if she was a tutor she also felt like another professor just sitting among us students. i am very grateful i had the chance to learn from her and the professor Miller. An amazing class.
38	I loved having my tutor in the classroom. She is so nice and easy to talk to and she really cared about my learning.
39	My tutor did a wonderful job of assisting and encouraging the students in the class to help them better understand certain concepts.
40	Having an in class tutor helped because if the professor was busy, I was able to ask my questions to the tutor.
41	Excellent tutor

	My tutor was so great I'm so sad that I'm not gonna have him as a class tutor anymore he honestly helped me with so much of my work and to help me understand what to do he goes out of his way and back to help even if he has to take personal time out of his day to help he has helped me many times through email he honestly is the sweetest most caring tutor I have had he really cares about the well-being of the student and really wants to bring out the best in that student and that's hard to find these days. I told him once that I wish he was a hand out that the teacher could give us and we could take him home and we could take him out and have him for help when ever we wanted haha He is the best !!!!

43	My tutor was definitely very involved and genuinely invested in helping us to grow as writers, helping to develop our strengths as well as encouraging us to improve on those areas of opportunity. He and our professor welcomed "mistakes" or wrong answers, without making one feel inadequate, because it was an opportunity for the entire class to learn, as others usually made similar mistakes. He helped make the class fun while still educational.
44	He is a very good thing for the class dynamic. Excellent job
45	He did a great job. He showed he cared and was fully invested in the class.
46	Hi , our class tutor was a perfectionist . He was able to bring joy and his knowledge into the class to help us become better writers and reader . He has great communication skills and coping skill with each and everyone of us students . He made the class more effective with his knowledge . I really do appreciate his help in our class . He is a great tutorial . Hands down
47	She was very helpful. She was there to help me whenever I needed and made things very clear for me to understand
48	Having a tutor in the classroom really helped, and I believe it benefited me in the through the course
49	Keep doing what you're doing , you're awesome !!
50	Amazing amazing amazing
51	My tutor was awesome!
52	Best Teacher to have hands down
53	You were an awesome tutor! Keep up the good work
54	I think you did a great job helping us get through the class. Thank you for your hard work on tutoring us through our hard work lol
55	My tutor was very professional and showed she really cared about being involved, she was always pleasant and welcoming in class. She made you feel able to approach her at anytime even to meet outside of class on her own time! She is going to be an amazing teacher one day and I really annoyed having her in the classroom for extra assistance.
