Strong Interest Inventory® Assessment

- The newly revised Strong Interest Inventory is now available at **Grossmont College** via SkillsOne.com, the state of the art online delivery system!
- The **Strong** generates an in-depth assessment of your interests among a broad range of occupations, work and leisure activities, and educational subjects. To reveal your interest patterns, it presents results on a variety of complementary themes and scales:
 - General Occupational Themes map out broad interest patterns to describe personalities and preferred work environments (corresponding to Holland's RIASEC theory).
 - Basic Interest Scales provide more specific information about your area of interest
 - Occupational Scales relate to your interest patterns to those of satisfied workers within the occupation.
 - Personal Style Scales describe your preferred style of working, learning, leading, risk-taking, and team participation.
- Recently revised to reflect all the latest changes in the world of work and study, this authoritative assessment of unparalleled reliability and validity is more powerful than ever, with:
 - More focus on business and technology careers
 - Response options expanded to 5-point (Likert-type) format
 - Shorter inventory—291 items, reduced from 317
 - Norm group representative of ethnic, racial, and demographic workforce diversity
 - Updated General Occupational Themes
 - Expanded Basic Interest Scales, Occupational Scales, and Personal Style Scales
 - User-friendly, well-organized, highly intuitive results presentation
- The most respected and widely used career development instrument in the world, the Strong is a powerful tool for anyone starting a career, considering a career change, looking for career enrichment, or seeking work-life balance.

How to Access The Strong Interest Inventory: Students must pick up a signed referral in the Career Resource Center. There is a charge of \$8.75 for this assessment.

Keirsey® Temperament Sorter®-II

- **The Keirsey Temperament Sorter®-II (KTS®-II)** is a personality instrument used all over the world. It is a powerful 70 question personality instrument that helps individuals discover their personality type and is designed to help you understand how the needs and preferences of your temperament shape your career development process.
- The KTS-II has been translated into 18 different languages, and has been used by over 40 million people from 140 different countries. It first appeared in *Please Understand Me* (1978), and was updated in the successor *Please Understand Me II* (1998). The KTS-II is currently being used by the Fortune 500, Global 1000, the US Government/Military, by major academic institutions, non-profit organizations, and faith based organizations worldwide.
- According to Keirsey Temperament Theory, there are four basic temperament groups which describe human behavior. Keirsey's four temperaments are referred to as Artisans™, Guardians™, Rationals™ and Idealists™. These four temperaments can be further subdivided, often referred to as "Character Types". There are four types of Artisans, four types of Guardians, four types of Rationals, and four types of Idealists.

ARTISAN	GUARDIAN	RATIONAL	IDEALIST
Promoter (ESTP)	Supervisor (ESTJ)	Field Marshal (ENTJ)	Teacher (ENFJ)
