STUDENT OF THE MONTH

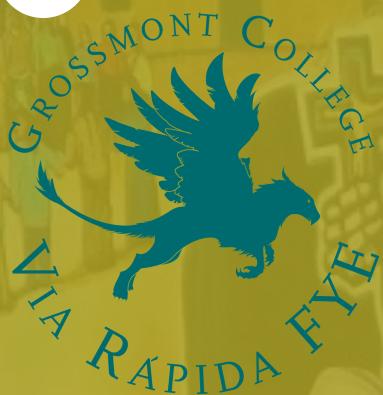

Jose is a hard-working student at Grossmont college. While doing well in his studies, he balances work as well as babysitting his younger siblings. Jose loves to play volleyball and he can't wait to spike some volleyballs again soon! Jose has been excellent in responding back to his mentor and has not shied away from asking any questions. He has also been very involved with his counselors, mentor, and resources around campus! Great job **Jose**, the Via Rápida team is rooting for you!
